21629	1/4" Clear Acrylic Sheeting	48"W x 30"H	4"H	\$175.00

## Cleaning Instructions

Wellness Barriers can be cleaned with either *Brilliance Plastic Cleaner* or *Sprayway Glass Cleaner Aerosol Spray*. Spray onto Wellness Barrier and only use a microfiber cloth to wipe away cleaning product. **DO NOT USE** *Windex*, bleach, ammonia or other harsh chemicals.

## Wellness Signs & Graphics

Let RRI help you to remind or warn others with safety signs and floor graphics! **Safety Signs** are made of aluminum sheeting and vinyl with a clear overlay designed to last a number of years. Aluminum signs can be easily cleaned and are much more durable than standard laminated posters. **Floor Graphics** are made of anti-skid vinyl with a clear overlamine to protect the vinyl graphics for up to three months. Two varieties of adhesive backing are available; choose from either hard floor surfaces or carpet surfaces.
