

# PLASTIC Trash Bags

RRI manufactures 100% virgin and recycled plastic trash bags. We fabricate with plastics that are lab tested and verified. RRI's plastic trash bags are made in the USA and are star-sealed to prevent leakage. They are available in a wide range of colors, sizes, specifications and are also a cost-saving and dependable alternative. Below you can find product specifications and pricing. For easy ordering, you can submit an order on our website!
