

# NORTH DAKOTA Wood Plaques

RRI offers a variety of North Dakota shaped wood plaques to show appreciation for outstanding achievement. Personalized engraving may be done on a steel plate, plastic plate, or on the wood alone. Certificate frames are also an option for an 8.5x11 horizontal certificate; frames available in either gold or silver. Plaques are made from cherry wood that are available in a variety of sizes and finishes. The plaques also have one keyhole for hanging.
